***BOARD OF DIRECTORS 2019-2020***  
***WITH THE DRAFT BY-LAWS SECTION ON ELECTIONS***

Members voted to approve the slate of nominations presented at the annual meeting on May 11, 2019. There are ten members on the board.

Eight board members are continuing their work on the board. Two current board members, Lisa Core and Carey Sue Barney, have decided not to run for the board again. Both have offered to serve on the Advisory Council once they step down from the board, so their commitment remains strong.

Two new nominees were on the slate, Ruth Faas and Kat Kimball, both of whom have been very involved in working on behalf of FCAEM and in providing death-related resources to consumers.

**From the FCAEM BY-LAWS, Article III**

***Section 3. Directors shall serve staggered two-year terms. New director terms begin and outgoing director terms end on the date of the first meeting of the board following the annual meeting.***

***Section 4. For the initial board of directors, the President and Membership Secretary will be elected for two years, and the Vice President, Treasurer and Clerk will each be elected for a one year term. Three directors will be elected for a term of two years and up to three directors will be elected for a term of one year, creating a board of no more than eleven members.***
